DURAGRID®

SAFETY MATTING & DECKING

DuraGrid® safety matting makes your floors look great and keeps your working surface clean and dry. It works to keep your feet dry and comfortable on decks, patios, and porches. The free-draining, slip-resistant surface contains Vinyzene® SB-1, an antimicrobial agent that fights mold, mildew and infectious bacteria. Easy to clean and extremely durable, DuraGrid® is great for locker rooms, laundry rooms, showers, saunas, shelf liners, indoor pool areas and more!

INDOOR USES

Locker Room & Showers

Shelf Liners

Marine Applications

Kennel Liner

Workstations

Laundry & Washrooms
